## Summary

I am a Senior Full-Stack Engineer with 7 years of experience in designing, developing, maintaining web applications and integrating 3rd party Web APIs. I have deep knowledge in utilizing React.js/Redux, Next.js, Golang, PHP Laravel and Python. I'm passionate about working with highly skilled teammates, learning new technologies and achieving goals.

I'm here to help you with building your web applications and good relationships, so let us discuss and move forward!
